1. Wreath Ring This is the messy bit !!! mossing your wreath ring

Supply 12" ring frame and Moss to make myself	
--	--

2. Foliage's All foliage are long lasting when kept outside, so please leave outside in water once they arrive until you start making your Door Wreath – please select either for us to supply a mix, which will be enough for your wreath or if you prefer to choose your foliage please circle the foliage or choice of foliage's that you would like included, again we will only supply you enough to make a wreath so bear this in mind in the amount of foliage's you circle.

Please Circle either mix or 2/3 varieties –we would recommend just two

Mix	Blue spruce	Berried Ivy	Holly	Eucalyptus
------------	--------------------	--------------------	--------------	-------------------

3. Decorations Normally we would use approx. 9/12 decorations on a 12" wreath however please choose 15 items that you would like included in your kit, please write the number by the decoration you would like.

Orange Slice cluster	Fir Cones
Whole mini orange	Baubles – colour:
Whole mini lime	Dried Lotus Heads
Cinnamon stick cluster	Or surprise me any 15 items

4. Bow to Finish please select the colour of bow you would like, and we will supply either the ribbon and wire to make your item or we will supply your bow made by us to put on the item

Please note: the red, gold & silver ribbon choice will be Christmas ribbons based around these colours

Please Tick one Box

Supply ribbon & wire to make myself		Supply bow already made	
--	--	--------------------------------	--

Colour please circle one box –

Natural Raffia	Natural Hessian	Red	Gold	Silver	Grey
Burgundy	Green	Blue	Any other colour we will do our best:		

Also included in each box will be one reel of binding wire which is more than enough and 6 thick wires to make an attachment to your door and also to use if you want to wire any bespoke items you have yourselves.

We will email you the video demo that you can play, pause, rewind at your leisure.

You will need to supply yourself, sheets to cover the area your working, an apron or old shirt, gloves, secateurs and sharp scissors, ideally florist scissors, maybe some patience and perseverance. we really hope you have an enjoyable time making your wreaths.

Please, do email your photos of your homemade wreaths, ideally on your doors with the proud maker besides them to godalming@flowersbyrosemary.co.uk -
